

# 10TH ANNIVERSARY EVENT 10TH SEPTEMBER 2019 AT HYLANDS HOUSE

*Photos used by kind permission of Hylands House*

Our summer event this year will be on the 10th September at Hylands House in Chelmsford.

There will be two conducted tours of the house and Margaret Mills will be our visiting speaker talking about "Hylands House - A History".

While group 1 is having a tour, group 2 will have the history talk then the format will reverse.

This year a buffet lunch is included in the price and will be provided by the wonderful caterers at Hylands House. You can choose to eat in either the banqueting suite or the terrace room.

For those of you who want to relax towards the end of lunch you may listen to Della Nicholson playing the piano and from whom you may request your favourite tunes.

Meanwhile take a stroll through the gardens trying to complete a treasure hunt prepared by Mike Capon or you can take part in a photo shoot with Peter Knight.

Alternatively, you can visit the boutique shops next to the house or take the opportunity to wander around the extensive grounds and park – printed walking guides are available to ensure you enjoy the park to the full.

## **The day's programme:**
